The screenshot shows the top of the Omnicore website. The navigation bar is dark with white text for 'PRODUKT', 'SERVICES', and 'FIRMA'. Below it, a horizontal menu lists 'KONTAKT', 'TEAM', 'KARRIERE', 'KOLLABORATION', 'PARTNER', and 'SOCIETIES'. The main header area features a large image of a pink cherry blossom branch against a blue sky with clouds. The Omnicore logo is in the top left corner.

jQuery Datepicker demo

Simple date picker using the jQuery Datepicker plugin

Date picker is 2 March 2007

Created on 11 March 2007

Component description

This is not component but only widget

jQuery Datepicker

- Introduction
- Resource Kit
- Needle Setting
- Day Selector
- Week Picker
- Current Date
- Link
- Dynamic Date
- Month and Year
- Spinner
- Selection Cache
- Tab control
- Table support
- Table support performance
- Link table
- Grouping link table
- Grouping link table 2
- Tags
- Properties
- Declaration

Suggested travel spots:

Aspen, Colorado
World class Aspen has it all. Nightlife, dining, arts, entertainment, and shopping. Long considered a winter playground with its world-class peaks, Aspen is the ideal place for winter sports. Accommodations for your winter vacation include luxury homes, condominiums, mountain resorts and hotels.

Phoenix, Arizona
Get out and get active in the Valley of the Sun. Phoenix boasts being the 4th largest city in the nation, has a rejuvenated downtown core and is becoming a mecca for professional sports. Enjoy resort vacations, golf and year-round outdoor activities with an ideal climate of over 300 days of sunshine each year.
